**For those interested in more information on this jazz/fusion group that has been around
for 30 years, they are featured on the cover of the Pacific Citizen (National Publication of
the Japanese American Citizen's League newspaper) and their website is
www.hiroshimamusic.com Dan Kuramoto, the band leader told me that they have just
come out with a new CD called “Legacy” and June Kuramoto (koto player) has just
released her solo CD “Under the Stars”. Dan’s relatives are from Fukuoka!**

**This fund-raiser will help us with raising funds for our 50th anniversary bash that will
happen in 2012. For those not around for our 40th in 2002, we built the Torii Gate which
resides in Lakeside Park Garden Center near Lake Merritt and Fukuoka sent a delegation
of 65 people to Oakland to participate in the festivities.**
